

DO YOU WANT A RESEARCH-LEVEL BIOMARKER PANEL?

(INCLUDING BRAIN HEALTH MARKERS, HORMONES, VITAMINS, AND MORE!)

We are recruiting HEALTHY VOLUNTEERS to compare with people who have sustained a concussion.

WHAT PARTICIPATION INVOLVES:

- One in-person visit at one of our clinics
- A blood test (results provided for research purposes only)
- Questionnaires about your health
- Height and weight measurement
- A quick, non-invasive eye-tracking test
- A \$20 petrol voucher is provided to reimburse travel costs

WHO CAN TAKE PART:

- Individuals of all genders, aged 16 years and over (no upper age limit)
- No neurological or neurodegenerative conditions
- No acute neurological events or structural brain abnormalities
- No unstable severe medical conditions
- No concussion in the last 12 months, no lingering symptoms from a prior concussion
